**ANNUALREPORT**

*"I know of a place,  
filled with magical things,  
where you can go to space ,  
Using your lovely wings  
I know of a place  
Where all dreams are true  
You can reach them easily  
Or made entirely by you  
I know of a place  
Which is really wonderful  
Filled with fairies and mermaids  
And even talking to an eagle  
This place is not just an imagination  
Is a place you can see  
You can even touch it  
A place that is important to all of us , which is none other than  
That's KANNA INTERNATIONAL SCHOOL.*

Respected Dignitaries on the dias and distinguished people off the dias

Wonderful evening all !

Hearty welcome to our renowned founder of Kanna International School (CBSE) Chairman Dr. Prakash Kanna and Correspondent Dr. Lakshmi Priya Prakash Kanna, our Special Invitee and our Kanna Patron Mr E.A.Mohamed Sha Haja D.M.E an Entreprenur, F/o . Dr.Heba doing MBBS in Tirunelveli Medical College , distinguished guests, energetic parents, lovely Kanna children, our teaching and non teaching staff for our 13<sup>th</sup> year of Annual Day Celebration who is here to witness the Kanna Imagination Magical World.

Today , its my esteemed honour to present the Annual Report of KIS for the bygone academic years i.e for two years 2023-204 and 2024 – 25 .

**KIS GROWTH :** Kanna International School was established in 2012 by our Chairman Dr.Prakash Kanna and Correspondent Dr.Lakshmi Priya to provide a competent valuable teaching learning to the down south area.

As an expert doctor and a great visionary leader, thier commitment and dedication is always towards the never ending journey to make our children to attain the enlightenment of the knowledge.

He travels through the main routes i.e **Communication and Discipline.**

Our humble Pranam to our parents ,who have always trusted us, thank you for being with us in this roller coaster journey to make all the children a discipline disciple.

## **INFRASTRUCTURE**

Why I have to explain about what is our infrastructure is ?

Lets have a look at it. We do have a safe and great infrastructures with a magnificent entrance towards the school, a vibrant auditorium with spacious of 1000 + children accommodation, where we do have our regular and daily prayers.

Exclusive classrooms with spacious environment and with sufficient benches.

For our Kanna chap we do have a separate kindergarten block with unique themes in each classrooms like Sunshine, Honeybee,..

Through the blessings of the God who always help us to take the next step. Every year the construction of the classes is a an evidence about the growth and development of the school.

**Laboratory : ‘*Do by learning and learn by doing*’** - We have a separate Physics, Chemistry, Biology and Computer laboratories for the Secondary and Senior Secondary children .

**Library :** As the quote goes on , “ Silence is full of answers “ can be seen and analyzed in our Bibliotheca (book place or library) where all the children used to read, analyze, go through the scripts, stories. This is the place where brain always have a unique friendship with BOOKS. We have 6000+ books which includes Fiction, non fiction, picture books, story books, magazines, Encyclopedia , reference for class 11 and 12 , motivational books, Tamil literature books etc....A writer, an author, a poet takes birth from this place.

**CBSE Board & Curriculum :** The educational value of the school is known by the ability to survive in the society with courage and pride. In order to play a wonderful game in the society which always comes with a variety of questions and challenges, an education should be the exposure towards many things. We make sure that all children participates in the art, speech, elocution, dance , drama, singing, instrumental etc to inherit their talents through a variety of celebration, competitions, assembly...

We are par of religion, we celebrate all religious festivals, national festivals, important days, important personalities of the nation to endow with a wholesome root about our cultural diversity and patriotism.

### **No Bag Day –**

Our multi competitions are conducted on Thursday as per the levels of the student, where all students are insisted to participate in order to learn the joy of doing, also to overcome the fear of participating. We have conducted the following competitions for Kindergarten to class 12

Kindergarten kids learn by the art of creativity and identification of colour. We had celebrated brightness of yellow – , glow of fluorescent, beauty pink, lively red, peace white, calm blue with various activities and programmes on stage.

**CCA :** Learn by doing or do by learning is also a methodology to engage the

toddlers. To develop their confidence and come out of stage fear, almost all students participate in the competition like draw and colouring, role play, food art design with fruits and vegetables, spell bee, collage work, tell the tale, Thirukurral Recitation with meaning.

**CCA ( Class 2 to 5) :** Creativity is a learning which in consistent progress becomes a skill and a life changing activity for their day to day life. It is achievable only through different art forms of competition, where our children have never failed to participate the same . Various competitions have given a chance to expose their inner quality in different forms like Relationship with colours, tell a cycle story (narration), my role model (collage work), stage of dance and music, flower carpet, Self reflection, culinary skill, Tamil history, Debate. Origami, Self recapitulation, my favourite colour, Kanna Speakers, Art of Epic, book review, Best Pastry Chef, etc.

### **EXPO:**

Every year it is a great day to remember the great Mathematician Shri Ramanujam and great Scientist Shri Sir C V Raman . In remembrance of the great legendry's our students exhibited and explained many interesting things in Mathematics and Science, which is the utmost in our day to day life. Students had explained through their practical experiments. It was a real learning not only for children but also for teachers .

### **LEARN, RELEARN, UNLEARN :**

A growth of a child depends upon the facilitator who enlightens the child by imparting and sharing his/her knowledge. Every individual is a life long learner, especially teachers.

So in order to update and roll up with current education system and generation, upskilling is a key task of an education. Our Management have always boosted up by giving us freedom to learn, relearn, by attending various workshops organized by CBSE, various publishers etc. Our teachers have attended the following workshops :

### **DIGITAL LEARNING & NEW PROJECT :**

As we are in the digitalized yug, we have also adopted and implemented certain new features in our School :

1. Our school has a separate app for all the communication, grievances, tracking the bus, payment mode, information and so on.
2. Integrated Classes with Nano, Hyderabad – We have implemented 5 days a week integrated class with separate sections for class IX to XII.
3. Afternoon lunch : As per the feedback and request of the working and abroad stay parents or staying with grandparents we have implemented afternoon lunch.
4. Hostel Facility : We do have introduced separate hostel facilities for boys and girls for class 9 to 12
5. Easy approach toward Management : We have created separate email id for the communication from parents to the management by single mail for easy accessible. The parents can send their grievances, suggestions, feedback etc mentioning your wards name and class for the betterment of our children.

### **COUNSELLING AND AWARENESS PROGRAM :**

It can be any professions, IT Field, Educationalist, doctors, lawyers , professor etc. But back stage the silent lead has been taken by the Counsellors , which is a need in a society for all children and workers .

Two words which dominates all is STRESS AND DEPRESSION .

We always have a counseling session in general and one to one for the children and parents in need . Our Chairman, Correspondent who are doctors and are still practicing, handles the child in a way better whenever in need.

We always are intact with the children whenever they are in need.

## **KANNA IS ALWAYS KNOWN FOR its**

We don't celebrate graduation day in Kindergarten but the children celebrate their graduation day with us ones they complete their UG

We always allow them to face the real challenges, learn to make decisions on their own.

We never give up on our children though they do any mistakes, we make them to analyse it and rectify it

No compromise in Discipline

We all your ears , when it comes for the childrens growth and development.

This is the stage and time to show our gratitude to all our Kanna Parents who are part of this family and travelling with us for more than 10 years and few who have boarded newly to travel with us.

**GREAT APPLAUSE TO PARENTS AND CHILDREN FOR YOUR TRUST IN KANNA  
AND WITH KANNA**

### **FAP –**

The event FAP State Awards 2021, organized by the Federation of Private Schools and Association of Punjab, was an occasion for paying respect to our teachers and private schools for their commitment and supreme contribution to our lives. The FAP State Awards 2021, besides felicitating 700+ schools and their teachers, was an opportunity to self- introspect into individual and institutional strengths and weaknesses. The data provided by schools was assessed and evaluated in a transparent manner, giving ratings to help determine the award winners.

We are proud to announce that our School received the Achievement award in Academic and sports category at the FAP state award 2024 Tamilnadu which was held in coimbatore on Nov 23rd.Pompous Moment for Kanna International School! This Achievement award is dedicated to the Chairman, Correspondent, Principal,Teachers, Students, Parents... for their efforts, dedication, support and cooperation..We would like to share this prestigious moment with you all for your trust in us... Keep supporting us!
